Trueheart Vineyards
Sonoma Valley, Sonoma County

VINEYARD
Trueheart Vineyards is owned by Patrick Smith and hand tended by Ned Hill. This two acre vineyard is only one mile from downtown Sonoma and is all head pruned. The grape clusters mature slowly in Sonoma's Mediterranean climate, a combination of warm days and breezy nights. The result is a lovely wine with big, ripe and juicy flavors.

TASTING NOTES
The aromas are of blue fruits, violets, cardamom, ground espresso, smoke and roasted walnuts. Flavors include rich and elegant notes of blueberry, boysenberry, ripe blackberry, dried lavender, dark chocolate with herbs and fresh ground black pepper.
