## 2013 CASSATA RESERVE

Cassata Vineyards  
Sonoma Valley, Sonoma County

### VINEYARD

The Cassata Vineyards are situated in beautiful Glen Ellen, California. This area is known for its outstanding growing soils and climate. The vineyard was re-established along the gentle rolling hills. In the center of the property, a pond has been incorporated to act as a beautiful oasis for local wildlife. The pond also provides a much needed water resource. The entire property is managed bio dynamically so that future generations can enjoy a pure and simple refuge in this isolated valley.

### VINTAGE

54% Cabernet Sauvignon, 19% Malbec, 15% Zinfandel and 12% Merlot

### TASTING NOTES

From the moment it's poured into the glass, this Cassata Reserve Blend is highlighted with lofty scents of ripe fruits, cured meats, dried herbs, nutmeg, tobacco, leather, and cigar box. In the glass, these aromas are complemented with deep flavors of dark cherry, huckleberry, cassis, black plums, and chocolate truffles. On the palate, these full-bodied flavors are further enhanced with vibrant acidity, supple tannins, velvety texture, and an elegant dry finish. Try this complex wine with richer cuisine, including blue cheeses, grilled pork chops, complex stews, steaks, lamb shank, and other roasted meats. Drink now, or enjoy for decades to come.

Enjoy-

*Michael Muscardini*
