## **2013 CABERNET SAUVIGNON**

Cassata Vineyards  
Sonoma Valley, Sonoma County

### VINEYARD

The Cassata Vineyards are situated in beautiful Glen Ellen, California. This area is known for its outstanding growing soils and climate. The vineyard was re-established along the gentle rolling hills. In the center of the property, a pond has been incorporated to act as a beautiful oasis for local wildlife. The pond also provides a much needed water resource. The entire property is managed bio dynamically so that future generations can enjoy a pure and simple refuge in this isolated valley.

### VINTAGE

85% Cabernet Sauvignon, 15% Merlot;  
aged for 22 months in 25% new French oak.

### TASTING NOTES

Expressive and robust, the new release of the Cassata Cabernet features fragrant aromas of dark berries, cassis, wild mountain herbs and earth. On the palate, the deep flavors of dark cherry, blueberry, mineral and bittersweet chocolate are lifted with secondary notes of white pepper, fresh sage and roasted walnuts, silky texture, soft tannins, firm structure, and a long, lingering finish. Magic from the mountains inside each glass, this wine tastes great young and is worthy of aging for 7-15 years.

Enjoy-
