2015 SYRAH

Unti Vineyards

Dry Creek Valley, Sonoma County

VINEYARD

Unti Vineyards is located in the heart of the Dry Creek Valley. The Unti family practices organic, sustainable, and biodynamic farming for all of their vineyards on their 60-acre property.

VINTAGE

The 2015 vintage is made with fruit from the Creekside block at Unti Vineyards. In 2015, the long warm days allowed the fruit to ripen, while coastal cooling in the evening enabled the grapes to mature slowly and retain their acid and balance, making a vibrant fruit forward Syrah. 100% Syrah

TASTING NOTES

This Syrah has aromas of blackberries, boysenberry, black plum, red current, raspberry jam, white pepper, black tea and anise. Flavors include blackberry, peppercorn and a variety of Asian spices. Elegant sophisticated and ageworthy, this wine is ideal to serve with grilled salmon, hearty pasta dishes, roasted pork, Tandoori chicken, Ossobucco, grilled steaks and charcuterie.

Enjoy-

Michael Muscardini
